Minutes

Minutes of the meeting held 19th February 2018 have already been circulated.

Confirmed to be a true copy and signed by the Chairman.

Chairman`s Report

The new club shirts will not be ready in time for signing on night and at this time we do not have a date.

Correspondence

No Correspondence

Treasurers Report

Financial details attached to the minutes and copies given out at the meeting to the committee members.

Captains Reports:

Mens

The Portugal trip went very well with winning results, which is an improvement on previous years so all good.

It was suggested we keep a tighter control on club equipment that gets lent out. A form has been suggested to be completed by the borrower with all their contact details and a follow up will have to be carried out if the equipment has not been returned.

Ladies.

Nothing to report

Competitions Secretary Report

At the Shepway meeting it was decided that the Wood Cup would play 10 players rather than 8.

We have been invited to try out a new artificial grass rink at New Romney, an email to be sent by Teresa to all members inviting them to try it out should they so wish.

Shepway Reports

Suggested and agreed that £2 per match for Shepway entrants will be charged increasing from £1. The increase in fees will go towards covering the coaching fees we have paid out. Unfortunately these fees could not be claimed as a grant.

The draw for the Easton Cup, we have Wear Bay in the first round to be played by or on Friday the 6th July. The Shepway Ladies competitions, the forms will go up in the ladies changing rooms, the closing day is the 9th May. The entrant for each game is 2.50.

Green Keepers Report

Jim has treated the green for moss.

Caterers report

Roz has suggested a small team get together to do a cleaning exercise on Mon 16th April at 9.30am. Committee members will include themselves in this team.

Joyce will draw up a cleaning rota for the season.

Secretary Report

An article has been put into the Sellindge Village monthly mag to encourage potential new members to attend our free coaching sessions on Sunday mornings during May.

Fixtures Secretary report

Joyce gives thanks to Lawrence for arranging the Fixtures books.

These will be given out on signing on night with stickers enclosed for bowlers to stick onto their woods to make it easier to recognise the club they belong to for the benefit of other players. This is now a rule book requirement.

Any Other Business

Thanks to go to Derek Nelson for the work he has put in to improving the notice boards and the general tidy up and appearance of the club house.

Teresa to email all members to remind them to encourage new members to the club.

Andy and Shelley Shepherd have agreed to become our Welfare officers.

Club maintenance work to be carried out on felt roofing, and fencing. Tony suggested taking this on with Roger and maybe the Tuesday morning working team.

Joyce requested that someone take over as Delegate for the Ladies Counties next year.

Date of next meeting

21st May 2018

Signed Chairman.....Roger Coker
