Minutes

Minutes of the meeting held on 2<sup>nd</sup> September have been circulated and confirmed to be a true copy and signed by the Chairman.

Chairman`s Report

John attended the Shepway AGM and advised that Ashford Town will now be joining the SW league.

The Shepway Committee thanked Sellindge for a very successful Finals day. They were unsuccessful in appointing a chairman for their committee, so are having a revolving Chairman which means the position will be filled each meeting by a member from one of the clubs.

Wear Bay declined holding next year`s Shepway finals day as they do not have the facilities, and Folkestone Park stepped up and said they would.

### Fixtures Secretary report

Decisions need to be made re additional dates before the fixtures book is printed, dates for BBQ and additional events as such.

### Shepway Reports

Covered by John in his report, Joyce also added that thanks were given re the Shepway finals day.

### Fundraising Committee

Jacky and the fundraising team are concentrating on the December coffee morning, giving it a Christmas theme. It was suggested that maybe local people be encouraged to come to this event and Jacky is thinking of passing out some Flyers to local businesses.

### Any Other Business

- 1) Signing on night to be moved from Friday 3<sup>rd</sup> April to the following day Sat 4<sup>th</sup>. Teresa to ensure the room in the social club is available. If not it is suggested that we use the club house.
- 2) Christina has asked that we consider new curtains for the club house. This was unanimously agreed by all, and Jacky has offered to shop around with another to see if some can be found at a reasonable price.
- 3) Also this led on to the carpet needing a clean. Along with the chairs, and it seems that there are members who have a carpet cleaning machine, and this could be undertaken when new curtains hung. Possibly a reminder topic for the new year.
- 4) Games afternoons. This past Sunday was only attended by one person. Teresa has said she will email out before each one and try to get some idea as to who is going to go, preventing this from occurring again.
- 5) Teresa has applied for £175 grant from Shepway Sports Trust to go towards the cost of the trophies. We received this last year and it seems we can claim each year. Also reminded the committee of the opportunity to hire a mini bus from the Sports Trust should we require one.
- 6) John suggested that maybe we suggest a competition of sorts involving our sponsors Seventy Seven Wealth Management. They attended our presentation dinner and seem happy to become more involved with us.

### Date of next meeting
