

Minutes
For the Extraordinary Committee Meeting
For Sellindge Bowls Club
Held at the Sellindge Bowls pavilion
On 25th August 10.30

Committee present

John Collins Teresa Oliver-Jones Lawrence Harvey Kevin Gipson, Pat Harvey Denise Hanson
Ros Sawyers

Apologies.

Christina Sandy Tony Excell

Purpose of Meeting to follow up the meeting of the 9th August to discuss possible ways of raising funds for a New Club house or ways of improving existing one.

Chairman opens the meeting.

Objectives.

- 1) We need a full understanding of the legalities of our lease, and we need to negotiate at least a additional 10 years lease.
- 2) We require a capital injection to enable the club to improve its facilities.
- 3) We need to Increase membership to allow the club to continue in its present format and to improve our chances to compete with the larger clubs.

At Present.

- 1) We have damaging water leaks.
- 2) Deterioration of the outside walls which are becoming un-repairable.

Suggestions

A new build would be better over on the veg patch. Larger area, less disruption whilst old clubhouse can still be used.

Approach to be made to Quinn Developers, possible at the Social Club Fun Day on the 29th.
Denise to approach Jenny Hollingsby.

Gary Fagg to help us write a proposal to Quinn Estates, covering inclusions of local schools, Disability facilities etc.

A new building would enable extra activities that would give scope for extra income from such events as short mat, Boules (Petange), afternoon cream teas open to the public ,darts, social evenings etc which at present we cannot facilitate.

John Suggested that Gary Fagg be made an Honary member.

Signed

John Collins
Chairman
